2 THE WITNESS: F one istendered and there
3 is a particular objection, thenI propose we
4 would deal with that when that arises.I'm not
5 expecting that there will be hundreds of
6 newcases that are being handed up, I should
7 hope at thisstage, but we may retain that
8 flexibility, I think,and see.
9 He honourabletribunal has already given
10 another opportunity to bringon record
11 additional legal authorities and all.
12 Aftergiving the skeleton arguments, whatever
13 legalauthorities are to be brought in, is to be
14 brought induring that opportunity window,
15 rather than bringing ithere and putting us to
16 absolute surprise.

17 THE WITNESS:

18
19
20 specify that there is scope forputting in legal
21 authorities before the post-hearingwritten
22 submissions as well. So shall we see how we
23 go,in terms of new legal authorities?

24 THE WITNESS: Chalia, as well

25 theprocedural order does specify that there is

- 1 scope for putting in legal authorities before
- 2 the post-hearing written sube how we go, in terms
- 3 of new legal authorities?
