1

2 THE WITNESS: Ia, as well theprocedural

3 order does specify that there is scope

4 forputting in legal authorities before the

5 post-hearingwritten submissions as well. So

6 shall we see how we go,in terms of new legal

7 authorities?issions as well. So shall we se

8

9 THE WITNESS: Pecting that there will be

10 hundreds of newcases that are being handed up,

11 I should hope at thisstage, but we may retain

12 that flexibility, I think,and see.

13 Ses.I'm not expecting that there will be

14 hundreds of newcases that are being handed up,

15 I should hope at thisstage, but we may retain

16 that flexibility, I think,and see.

17 THE WITNESS: .I'm not expecting that

18 there will be hundreds of newcases that are

19 being handed up, I should hope at thisstage,

20 but we may retain that flexibility, I think,and

21 see.

22 On, thenI propose we would deal with that

23 when that arises.I'm not expecting that there

24 will be hundreds of newcases that are being

25 handed up, I should hope at thisstage, but we

1 may retain that flexibility, I think,and see.

2 THE WITNESS: Pose we would deal with that

3 when that arises.I'm not expecting that there
4 will be hundreds of newcases that are being
5 handed up, I should hope at thisstage, but we
6 may retain that flexibility, I think,and see.

7 I propose we would deal with that when
8 that arises.I'm not expecting that there will
9 be hundreds of newcases that are being handed
10 up, I should hope at thisstage, but we may
11 retain that flexibility, I think,and see.

12 THE WITNESS: E would deal with that when

13 that arises.I'm not expecting that there will
14 be hundreds of newcases that are being handed
15 up, I should hope at thisstage, but we may
16 retain that flexibility, I think,and see.

17 E we would deal with that when that
18 arises.I'm not expecting that there will be
19 hundreds of newcases that are being handed up,
20 I should hope at thisstage, but we may retain
21 that flexibility, I think,and see.
