- 1 11:20:29:00 So this is another test. So I'll going to write for
- 2 11:20:33:21 a few lines and then I'll change some of the text.
- 3 11:20:36:08 The time is 11.20 IST.

- 8 11:21:10:18 So I'll keep writing and you tell me if it's enough.
- 9 11:21:21:00 I'll change a few words too.
- 10 11:21:24:19 So the time is now 11.21 am IST. That's Indian
- 11 11:21:36:17 Standard Time.
- 12 11:21:54:20 I have some headphones on the desk. I also have:
- 13 11:21:59:19 "A laptop, a stapler, a fan, some notebooks."
- 14 11:22:08:09 So I have a few things here.
- 15 11:22:11:11 So I have typed in a few words here and there, and
- 16 11:22:51:00 I have deleted a few words and corrected a few words.
- 17 11:22:54:27 I'm still only at line 20. It takes a while to
- 18 11:22:59:28 write a page. I also have a keyboard and a mouse for
- 19 11:23:04:29 the laptop. There's also another laptop for Zoom
- 20 11:23:11:00 meetings. Also sometimes we have Zoom meetings or
- 21 11:23:11:20 Google Meet or Go to Meeting -- depends what the client
- 22 11:23:11:20 prefers. We don't always host the meeting. If we host,
- 23 11:23:11:20 we use so I use that one to show the participants.
- 24 11:23:20:04 a broken picture frame which I need to get fixed because
- 25 11:23:24:26 it's made of glass and it's not safe.
