PRESIDENT: Good morning. we are meeting
today to commence the hearing in ICC case
number 342423/HJK, Primetals Tech India Pte Ltd
aand steel Authoirty india ltd, pomini long
polling mills SRL and shriram EPC Lt

On behalf of the tribunal, I would like to
welcome the parties to the hearing

Today we are starting with the
parties' opening presentation.
But before we do so, perhaps I
could just ask each of the
parties to introduce their
teams, and then if there are any
housekeeping matters, we can go
on to address them.

So perhaps starting with the
claiment , Mr Markanda.

(Introductions were made)

1 PRESIDENT: Thank you very much.

2

3 I have assumed that all of the attendees
4 are on the hearing attendee list , but of course
5 if thers anybody else that is not on the list
6 who the parties wish to add, they simply need
7 to let know.

8

9 I also note the resence of at least one of
10 the factual witness.

11

12 The prodeural order had providedf that
13 factual witness would not attend the hearing
14 until they givevidence , but of course if no
15 party object to the attendees of factual witness
16 for the opening , then we can proceed on that
17 basis
